

## J. Meejin Yoon, AIA, FAAR

Co-Founder + Managing Partner

J. Meejin Yoon is an architect, designer, and educator. She is currently Dean of Cornell University's College of Architecture, Art, and Planning. Previously, she was Professor and Head of the Department of Architecture at MIT where she began teaching in 2001. Yoon is the co-founding principal of Höweler + Yoon Architecture, a multidisciplinary architecture and design studio that has garnered international recognition for a wide range of built work. Her design work and research investigate the intersections between architecture, technology, and public space. Yoon received the New Generation Design Leadership Award by Architectural Record (2015), the US Artist Award in Architecture and Design (2008), and the Rome Prize in Design (2005).
